“ Sending prayers for peace and comfort to the family during this time of loss. I worked with Brzzy for many years at Sonoco and had the pleasure of also calling him "friend" outside of work. We spent many a time going hunting, fishing, or just attending a good ole cookout with fellow co-workers over the many years. Lots of memories and stories to be told from our times over the years.

“ *Brzzy was one of a kind. I hunted with him the last 10 yrs and was the same no matter the day or time. He reminded me so much of my grandpa which is why I liked him so much for one. If he couldn't put a smile on your face no one could. Good man and will be missed by many many people.*
