“ I first met Jason at West Florence in 9th grade. We had a couple of classes together and became good friends. He was one of the funniest people I have ever met! One of my fondest memories was when he took me home from school in his brother’s purple Ford Escort. I hate we lost touch over the years. Rest easy Jason. My thoughts and prayers are with his family and friends.

“ Jason was such a sweet and caring person, always willing to help anyone in any way they needed. His humor was contagious, he could make anyone feel like family. So much respect and kindness for people...He loved his family more than life itself-Joye and Jr. were his world, knowing how happy and loved he was is a comfort. We all loved him...he knew how much he was loved. He will be forever missed, every day, but we know you are still smiling and watching over your family as you look over them from Heaven...
