“ Precious Jean was a lady of immense faith, which was so beautifully evident in all she encountered. Her life was a testimony of her complete reliance on her Lord and Savior. Each time our paths crossed or we talked on the telephone, my heart was filled with joy and admiration. She was a treasure, and each memory of her will continue to fill my heart with joy and thanksgiving. Our prayers encircle each dear family member and her many, many friends. Our hearts hold you tightly. How blessed we are to have had her in our lives.

“ Debbie, Mikie, Stella Grace and family I extend my deepest sympathies on the passing of Jean. Her death has the whole town in shock as this was so unexpected. I along with probably everyone in the community have had the pleasure to know Jean as she was a centerpiece of our town for many years serving as our town clerk under several administrations.

To recall just one thing that Jean handled so well and enjoyed the effort for many years was the annual Taste of Society Hill at Japonica Hall. She and I would often reflect on what a wonderful event that was and she was always proud of that, rightfully.

May the Good Lord look after her entire family and bless them as they deal with these difficult days that lie ahead.

She will be greatly missed in our community.
