Great & fun memories, too many to detail. Great friend who will never be forgotten. Sherrill, you have been and will continue to be very special to both of us. Prayers and God Bless. When I read this scripture, I think of Jerry: 2 Timothy 4:7, "I have fought the good fight, I have finished the race, I have kept the faith." And I know he loved the Lord.

“ *Jerry and graduated in 1962 and he was the class clown. He had something going on most of the time. He and I got to play music together at two of our class reunions. Jerry played drums and he was pretty good at it. He will be missed.*

“ I will never forget the fond memories of Jerry. He was one of the funniest people to be around. He was able to effortlessly make everyone else have a good time. I remember back in grammar school he was always the class clown and we had a teacher named Mrs. Hark saw, well Jerry was clowning around and she got upset with him and threw a piece of chalk at him and if he hadn't ducked that piece of chalk would have hit him right between the eyes. I am sure a school teacher could not get away with that today but things were different back in the 1950s. I haven't seen Jerry in years but I will always have good memories of him. God bless

“ Sherrill and Jerry have been lifelong friends. We stayed in touch the last thirty plus years. Jerry sat behind me in English and he tormented me, pulling my hair, etc. But he won my heart and always made me laugh. I will miss him very much. Many prayers Sherrill. I love you very much. “ Jerry has been a long time friend, he grew up in Darlington just down the road from where I grew up. Jerry was a fun guy and he was always smiling. He will be missed by everyone that knew him. My prayers and thoughts are with his family at this time.

“ Sweetest memory I have of Jerry is when he first returned to Darlington and then Sherrill did too and he fell so in love with her . . . And she with him. It was a wonderful time for both of them, and Louis and I were happy to share it with them because we saw what a wonderful chance this was for both of them to start over and begin again. Sometimes God does save the best for last . . . Sure will miss him. Love you so much, Sherrill.
