“ *My cousin, Jo Anne, was a very intelligent and well spoken person. She loved animals and her family dearly. She courageously fought to stay with us and I will never forget her bravery. My heartfelt condolences, thoughts and prayers go out to her wife, Becky and her child, and also to the members of her family of origin. Although I will not be able to attend services for her, I will be there in spirit.*

“ *I remember the day that I married Rebecca and Joanne and how much fun they had enjoying the cake mess and everything else was such a beautiful ceremony I didn't really get to know her that much but from what I hear she was a beautiful person inside and out we are going to miss her she brought a lot of smiles to a lot of people's faces.*

“ *Becky, Jordan and family: we are so sad to hear about Jo Anne's illness and her courageous battle with cancer. This has been a very difficult time for you all. Jo Anne was a wonderful neighbor and we thoroughly enjoyed knowing her and your family when we all lived in Durham in the cul de sac together. I remember one night we came outside to look at a meteor shower or something special in the sky at something like 4 am and you all were out there, too! We also had such a fun trip together when we all went to Carrowinds when the kids were little. Jo Anne was a kind, thoughtful and funny!! woman. I know she was loved deeply and is missed greatly. You all are in my thoughts and prayers. Pam , Brad, William and Jillian*
