“ *I will miss you so much my friend. May GOD give strength to your family now during these next few days and comfort them with love you have always shown. I will check on your mama for you and help her any way I can. Delta and those girls will be a pleasure for me to watch for you as they are growing so fast. My heart breaks but I have so many memories no one can ever take. Go rest high on a mountain and look in on me whenever you get a chance. I will always love you my dear sweet friend.*
