“ Wow. Where do you start? I've known you and your family since very early childhood. Living on this block was such a gift to us all. As your dad; funny, quirky, and smart. I still smell his pipe smoke from years ago before he layed it down. He is a father to two great men that I am honored to friends.

“ Gary and Michael,
My deepest sympathies to you both. Your dad was a special person during those "pageant days". I'll always remember how kind he was to me.
Sincerely,
