“ Joey, Helen, Amy and family please accept my deepest sympathies on the sudden passing of Joseph. I heard about his passing today and very shocked and saddened! Just too young to be leaving us but the GOOD LORD has his plan, we all can be comforted in that. I recall many evenings Joseph would drop by our store and we would almost always chat for a considerable period of time. I always enjoyed talking with Joseph and found him to be a very nice, considerate and smart young man whom I developed a lot of respect for. He will surely be missed by everyone that knew him! May Joseph rest in peace and GOD BLESS the family.
