“*I remember when we were four and five, and Wayne was just a little bitty baby we were washing diapers and helping grandma wash diapers in her washing machine that have one of the ringer type things on the top of it. Anyhow, we were running into diapers through the wringer neighbor, squeezing the water out, and Able looked at me and he says cat. He said you reckon that thing squeezed water off my hand and I looked at him and I said I don't know Bubba stick it up in there we find out he stuck his hand there, and yeah, didn't work too. Good grandma about beat my tail, we done all of crazy stuff it was always me him and Ted we were the three amigos. If it could be got into we got into it. I will miss him like I'll miss my ride on love to the family prayers and sending peace bye-bye Bubba.*
