“ *So many memories I'll cherish forever. ❤️
I'll never forget how happy you were when I
drove 3 hours to your out of town job to
surprise you and take you out on your
Birthday.*

*Or the times I traveled for work and you would make me the cutest
welcome home signs. And send me sad face pics while I was gone
because you missed me.*

*When you would sing the song you dedicated just for me (Forever
after all) by of course your fav... Luke Combs.*

Josh I will miss you tremendously.

RIP love.

“ Josh, you were such a great friend and I'm going to miss you so much! I remember the first time meeting you at the pool and spending our night outs! I'm glad I met you because then my mother would have not gotten to meet you and we all became so close by heart!
