“ *Katy was my classmate and friend. She always had a smile and was laughing about something. The last time I saw her was at our last class reunion and as you could expect she was a hoot. Myself and Katy along with two other girl classmates took a bus driver test just to get out of school and to our amazement we all passed. We were the first girl bus drivers for Aiken High School. What a Senior year we had. My heart goes out to you, her family, and I know she will be missed. I will be thinking of you.*
