“ Alex will always remember the time Uncle Kenny took him to the beach. He told Kenny cheese fries were the best at the beach! Kenny said really? We will get you some. Alex was really enjoying them. Kenny noticed sand was in them. Alex said best cheese fries at the beach! Kenny started laughing and said cheese fries with sand in them!! Kenny chuckled about it!!

“ I only knew Ken through FDTC. I started back in September 2018 after retiring from the Walt Disney Company. He was doing some work in the office and when he learned that I worked at Walt Disney World he started referring to me as "Mr. Disney" lol. We had some good conversations about his time at Disney Land and my time at the Walt Disney World resort. He was always very pleasant and friendly.

*May he be at PEACE and May Peace be with all who loved him.
God Bless!*

“ Rest in peace big brother. My fondest memory is when you decided it would be a good idea to teach me how to drive stick! After about 2 blocks you told me to get out..... This was because I almost hit a car then ran a stop sign and almost got us killed by a semi! Also pretty sure your new car suffered transmission damage for every time I grinded the gears and dropped the clutch. I just remember that's all you said..... Get out!! Love ya bro
