“ Mama Kim, I needed a little time to figure out how to say a final farewell to you. Thank you for loving me as one of your own. You never treated any of us kids any different than the other when we were growing up and you always loved us unconditionally. You were an amazing Mama Kim to all of us, even my babies. I'm definitely going to miss you and our chats..and once I can bring myself to visit WF again, I'll still yell "I love you" and pray you can hear me ❤️.
