

Kin Lui

March 8, 2024

A Celebration of Kin's life will be held Friday, March 15, 2024, at 2 PM in the chapel of Kistler-Hardee Funeral Home. The family will receive friends one hour prior to the service.

Kin was born in Hong Kong. He was the son of Bill Lui and the late Lisa Lui. He was a dedicated law enforcement officer for many years. He served Darlington County as a Deputy Sheriff under three Sheriffs. He was a member of The Fraternal Order of Police and was an avid gun collector.

Kin was always smiling, and he had a huge sense of humor. Although he was serious business when he was working, he always found time for a good joke. On his off time, he loved to target practice, and he was a good shot. He also enjoyed riding his Harley-Davidson.

Surviving in addition to his dad, of Hong Kong, are his brother, Joe Lui; his sister, Jamie Lui; his nephew, Braxton Gorman; his niece, Evie Gorman; as well as a host of extended family members.

The family suggests memorials be made to The Order of the Police. The address will be available soon.

“ Kin was an original member of the "Cool Kids Club" and our group shared many laughs with him. I was fortunate to meet him early in my career and knew he was only a call away if I needed assistance. There were some times I was certain we would get kicked out of the court house for having too much fun. I know he adored his family and I will continue to lift you all in my prayers in the weeks and months to come.

“ I am so sad for all of Kin’s family and friends. I remember him as a kid in my classroom in Clio. He was incorrigible but so much fun. It was always a joy whenever I saw him as an adult and we had time to talk. He was special!

“ Kin, if it weren't for you, I wouldn't have had the courage to apply for dispatch, and finally find the path I was meant to be on. I met my husband there, and now have a beautiful life with him...and you led me there. You helped me convince my parents that AR is basically a necessity, and they finally got me one for Christmas. We butted heads like Billy goats...but I think that's because we both refuse to bite our tongues about anything. I hope you're resting well...thank you for the immense impact you had on me.
