“ Rob and I just saw on FB the sad news of Larry's passing. So very sad for all the family. I have such fond memories of my dad and uncles at Grandmother's house for Christmas. The jokes were non-stop. My dad (who is tall) would crack on Larry for being short, and Larry would come right back at Daddy, who has a rather substantial smeller, saying he could take shelter from the rain under my dad's nose! Those were fun times for sure!

“ Where do I begin? On the golf course many years ago - this little man came up and asked David and I if he could play out the round with us. Instant friendship with David and then they forced Marie and I together. This meeting began the start of an amazing friendship that held so many special memories, laughter and love. Love you all and he will be missed by everyone who has the pleasure of knowing him. Many prayers for comfort. Love you, Cathy
