

Lawrence Lucas Larymore Jr

August 30, 2019

Lawrence Lucas Larymore Jr, affectionately known as Lance, or Lancey, died unexpectedly in his sleep on August 30, 2019 in Clarksville TN. He was a loving father and a good man, always quick witted and fast to make you laugh.

Lance was preceded in death by his father Jack (Big Jack) Larymore, his mother Bernice Nolan, and sister Tamara Lynn "Tammy" Perkins. He worked as a crane operator In Nashville.

Surviving are his estranged wife Angel Larymore; sons Dylan Larymore and Gavin Larymore; a grandson, Christopher Larymore; nephews Andrew Perkins and Kaleb Perkins; his niece, Grayson Perkins; and step-father Dave Nolan.

A memorial service will be scheduled at Midway Baptist Church, officiated by Pastor Jamie Weatherford and announced at a later date. Burial beside his parents at Philadelphia Southern Methodist Church will be scheduled then as well.

Donations are requested instead of flowers and there is a link available through Angel Larymore for that purpose. She may be reached directly for further details.

“ Lance was one of a kind and he will be missed by all of us:(No greater words could be spoken about him * To know him was u either loved him or u hated to love him bc he was gonna be who he was no matter what. He could be ur bestest friend or ur bestest enemy. He could fit in at any given time with the preacher at ur church or headbanging with Gavin at concerts or at the white house with the President :) It didn't matter if he had \$1 to his name he would always be the richest man in the room. The one thing I will always admire about "Lance" aka " Big Pa or Pump" is that he gave his all when it came down to the ones he loved .. And to all of us who truly knew him knows whatever it took to provide for his little family he was gonna do.. lololo And he would do it with a straight poker face. We all would talk so much crap about it but deep down we knew why he done it .. I'm at a loss & I'm gonna miss his voice & his non--spelling text. I never knew hearing those 3 little words would hurt so bad ** Lance passed away** .. At least I can feel at peace with the last text u sent me was how much u loved me and how he was thankful I wad his sister * not sisternlaw* sister. Not knowing that Sunday was gonna be our last words to one another .. U will always walk on this earth as long as Gavin lives & breaths ,he will be that reminder of who u were.. u loved Angel when she needed loved, loved Dylan as ur own unconditionally, had a love for ur son Gavin that was so deep.. u needed him as much as he needed u:) and last but not least u have a boy that calls u big pa that thinks u could hang the moon. & the spark he put in ur eyes !! Christopher says big pa is now n heaven with those big wings & a curly feather crown on ur head **happy u get to see ur daddy mama & sister. Love u always Alicia

“ *Lance saved me when I needed him and gave Dylan, Gavin and me a great life full of craziness.. the boys adored their dad and as he did his boys! We are grateful to have had him in our lives and we will never forget him!! The love he gave us will always be close to our hearts and I know he's watching over us now.. so Lance please help me get through the rest of our boys lives and stay strong for them. You were definitely our rock in the hard times and always kept us smiling and laughing! Thank your for showing me that I was strong and for loving Dylan like he was yours from day one.. and of course for giving me the best part of u and of me in Gavin! I'm scared bc I know I'm the only one they have here and I don't know how I'm supposed to handle u not helping me with them! So please Lance, watch over them and keep them safe! I will always love u and now I know u are at peace with Ninny,papa jack and Sissy!! Thank u for all the wonderful years (good and bad) and we will keep your memory alive always!*
