“ We spent many days and nights together as kids. Working on the dairy farm, making ice cream and family gatherings. I remember one special time when Uncle John butchered a steer and we cooked steaks for the entire extended family. Don't miss those mornings when we had to roll out at 4 AM to milk those cows, but will miss my cousin! God Bless you Larry. Tell my Mom and Dad HI in Heaven and I love them for me. God Bless Faye and all the family. Love always Lewis and Brenda Mustian.

Sometimes family gets seperated for one reason or another but that happens. I also remember being at the Uncle Johns farm getting up hay and cutting silage for the dairy cows. Miss all the family gatherings when I was little. Prayers for Faye and all the family. 🙏🙏🙏
