“ Linda, Claudia, Gerald & Ray, Pamela and Families. I love each one of you and my heart breaks with the sadness of losing my wonderful friend. I don't have to tell any of you how loving and considerate she was. She would literally give you the shirt right off of her back if she thought it would help . She loved her family so much. All of her nieces n your familiesher grand children and great grands. She cherished her time with you. We all know how she has grieved for Mr. Harold. He was the love of her life, her best friend and she has been lost without him. I can just imagine that wonderful homecoming Friday when she entered Heaven. Can't you just hear all those angels singing. Her daughter...all those that God has already called home. Cherish each and everyone of those total amazing memories.....the laughter n the tears. Those will bring peace to your hearts. You're each in my thoughts and prayers 🙏. I can't wait to meet her and my husband in Heaven when God calls. Me home. She was one of the best and I'll miss her
