“ Dear God and Braddock family, I've been blessed and thankful for so many gifts from Jesus in my life. Yet this past week I'm certain that the blessing of meeting Mallard and Virginia is one I'll be forever grateful for. Virginia was an angel on Earth to me. I loved her and missed her so much then she became an angel in Heaven. Then as I prayed with Mallard, hoping to help comfort him You, Jesus, brought another angel into my life! Mallard. Thank you, dear Lord. I strive to be a better person because of the life Mallard lead serving you. His faith, love, and kindness seen and felt by everyone he met was contagious. He truly inspired and blessed me. To find another friend like him is something I cannot fathom. I have to many memories to count and I treasure everyone...especially singing and playing music together. We would sing, "I'm gonna live forever, I'm gonna die no never ~ Jesus died on a tree for me and I'm gonna live forever!" I already miss him so much. The love he had for You, God, and for you, his family was certainly one of the strongest I've known. To you, dear Braddock family ~ my sincerest sympathies for your loss. In my heart I hope that you will all find peace and comfort as you remember your special moments together ~ I hope they make you smile. My prayers are that you find strength knowing that Mallard is where he wanted to be ~ with Virginia, who he loved and missed so much, with his loved family gone before him and with our Lord and Saviour, Jesus Christ, in Heaven. Rest in peace, Mallard, now you will truly "live forever" ~ until we meet again. 💜🤘💜
