“ Dale and John bought their vehicles from me at Myrtle Beach Chevrolet. We all became close friends. I visited Dale about 3 weeks before she passed away. We corresponded by Messenger and Facebook regularly. I was totally shocked and heartbroken when I found out she had passed. I couldn't understand why suddenly there was no answer by phone or Messenger. She talked about and loved her family and friends and sent me videos of her churches services. I can still hear her say, “HEY GIRL, I love you”! She always had a smile. Talked about all of her fur babies often. Rest In Peace my dear and missed friend. Lord willing we will meet again. 🥹🙏

“ Gregory, Carolyn, Wayne & all the family, I cannot tell you how deeply sorry I am to know that Dale is gone. Dale & I were best friends growing up. We were in each others homes all the time. I have so many wonderful sweet memories of being with her. I can't share them all here, I wish I could but I will share one. Wayne had a yellow and black GTO and he would let Dale drive it. She would come get me and we would ride all over Lucknow in that car. I will always cherish our memories together. Hugs and prayers for you all.
