“ *Truly, a light has left this world but there is a new star in the heavens. Marian is everything so many people have already said. She was funny, fiesty, honest, kind, loving and sweet. Her sense of family was strong and true. Hopefully, those of us left behind will carry on that wonderful love and support off family that was begun long ago. I will so miss you sweet lady. See you later* 🥺

“ Ms Marian was such a special and genuine lady. I told her many times that I wanted to adopt her as my mom! She loved, she laughed and she would set you straight in a minute! I am so thankful for the opportunity I had to know and love her. My prayers are with her sweet family.

“ Marian was always so fun to be around, and we enjoyed talking and laughing together many, many times over the years. We loved her, her parents and all of her children.  
We are so sorry that we are unable to be with the family during this time, but with the current crisis, we are staying in most of the time. Please know that our thoughts and prayers are with you during this time and in the weeks ahead.  
Love and hugs to each of you,

*Mama, I miss you more than words can say. I wake up each morning to quietly open your door and find you laughing and giggling at me with those beautiful twinkle in your eyes because you saw me in the beginning of my quiet adventure to see if you were awake. It always brought laughter to both of us. So simple but so beautiful. Our mornings every single day are painful to be without. Then visiting your on every hour from work. Just to say hi and fill up your ice glass. Dinner was every night together. We watched Wheel of Fortune and Jeopardy each week night. I always had so much to look forward to every single day with you. Now you aren't here physically. My heart is hurting for you, but I know you feel better now. I look forward to seeing you, again, Mama. I love you so very much. I miss you. I have so many questions for you. Simple questions like what did you dream last night or how did you sleep last night? I don't know how to say goodbye to you, Mama. Just know that I love you with every ounce of my energy. See you soon, Mama.  
Your Baby Girl,

“ We were friends for over 30 years, there is so much I could say about our friendship and a lot I cant:) I was blessed to have such a wonderful friend. She was more than a friend, she was part of our family. My children called her mom #2 and she was always by my side, good times and especially bad times. Her smile and laugh was heart warming. She touched our lives and we know our angel will always be watching over us. Our thoughts and prayers go out to her family, please know we are holding you close to our hearts.

*I was just thinking about the times we shared at McLeod, Marian, Jenny, Gloria, myself and others. We laughed a lot...a lot...Marian made us laugh often. She was happy at work and she made day to day work fun. I miss those days, she will be missed terribly. She loved her family and they are all in my thoughts and prayers.*
