“ *She was such a sweet and special person to me and always considered me one of her granddaughter's. I enjoyed talking to her on the phone when I did. I'm glad I got to speak to her a few weeks ago and tell her how much I loved and missed her. Miss you granny Marie, you will always have a special place in my 🥰. You are no longer suffering, look over everyone. Love you so much 🥰.*

“ I love you my sissified tweety bird 💖 to the moon & back xoxoxo 🐦
I know Uncle Billy, PopPop, your sisters, your parents, Jack & my little Rosebud all welcomed you home. You deserve peace, you deserve to fly free, & you deserve to rest easy! You fought long to stay with us as long as you did .. 82 years my queen it was a blessing to have a beautiful woman like you in my life. I know your prayers are still protecting us down here, watch over us. We'll meet again one day. Forever in our hearts 💖
