“ My love and thoughts go out to you Steven, Gail, Diane, and Mary Ann on the passing of your beloved Mom. Aunt Cile was always a loving fixture for me as a little girl growing up and I have so many fond memories. She was a special Aunt to me as our families got together quit often before your move to South Carolina. I so enjoyed her visits back here to CT. Aunt Cile always made a point of calling my Mom and If possible to get together on her visit. Whenever I could I would join the two of them for a nice lunch out and catching up on everyone's news. We would also share Casino stories...she loved the Casinos and so do I !!

I know your sorrow is overwhelming right now and I hope your loving and many fond memories of your Mom and family will help easy the sorrow. May God bless all of you at this sad time. I am thinking about all of you and send my sincere condolences and all my love,

Love your Cousin, Karen
