“ *Marty was a trip to say the least. Worked with him for many years at CPL/Duke Energy and what a fun time it was. He enjoyed his work because ,unlike others he was not afraid of ever loosing his job or being out of work ,because he knew how good he was at it and they needed him as much as he needed them. We both enjoyed riding our “cycles” and enjoyed great rides together. Marty loved his family and enjoyed getting on his golf cart with which one would ride and stop by to say hello. He was a good guy, someone I respected and enjoyed being around. RIP my good friend*
