“ I will always remember the cakes that Mary made and Christy brought to work. You could taste the love she put in each bite. I referred to her as “mom” cause she was that special person.

Christy, so many good memory of your mother and all your family. Always a buying fruit from you when you were a member of the St John's High School band. You made her life happy and I am so happy you were able to care for her when she needed you most. I will not be in Darlington for her service and will miss being with you. It would be nice to see you, Rachael and Annie. Always be proud of all you did for your mother, she loved you dearly.
