“ "Weese" was certainly one of my favorite people in the world. My daddy's first cousin, same age, and grew up together. Daddy was from November to June "younger" than Weese and that was an ongoing joke he would tease her about. Weese, Howard, Mama and Daddy were also close friends as well as family, along with Betsy and Paul Triplett. They went to dinner together and took trips on a regular basis. Howard's and Paul's passings left heartfelt voids in that tight knit group! I will miss Weese greatly as will my mother and siblings.

So many fond memories of Mary Louise. She gave me one of my favorite pieces of jewelry. A gold covered leaf. I wear it every Fall and think of her. Thinking of you Eric❤️
