“ *John and family, we were so sorry to learn of Mary Sue's passing. Your mother was a ray of sunshine to those who came to visit her. I would visit sister Jane in Florence and she would be baking up her wonderful pound cakes to deliver to her dear old friends from Mehtodst Manor, Presbyterian Home and Southland. Your Mom enjoyed our visits so much and we loved her telling of all her children and grands. I would imagine your Mom and Winnie should be caught up on everything by now. You all were so blessed to have this dear, sweet woman in your lives. The memories live on.....*

“ *Keeping all of your family in my thoughts and prayers as you say goodbye to your Mama. "Aunt" Mary Sue holds a special place in my heart. I'll be forever grateful for her taking me into your home while Daddy was hospitalized in John's Hopkins so many years ago. This is so like her always giving to others. Your loss is truly heaven's gain.*

“ I grew up around the corner from the Well's and every time I would go to their house or to the jewelry store Mrs Wells was always smiling. I spent many an hour at their house visiting Mike, Susie and Pat. Their big brother John is now keeping the memories alive by posting thousands of photos that his dad took during his career as a photographer. I am so glad i went by to see her last year when i was in Florence. My thoughts and prayers are with the Wells family during this time of grief. Your mom will be missed be but remember we have a lot of memories we can always look back on.
