

Michael Todd Gobbel

July 20, 1962 - February 23, 2022

Michael Todd Gobbel, born in Darlington County on July 20, 1962, passed away on Wednesday, February 23, 2022 at his residence in Lexington, SC.

Todd extended unconditional love to his family and friends while always cherishing his mother most. While he faced many challenges and was often misunderstood, those closest to him knew the depth of his loving, selfless nature of always putting others first. It didn't take long for others, who spent some time around him to notice these same qualities.

A graduate of Lexington High School, Todd enjoyed keeping up with NASCAR over the years and cheering on his favorite driver, Jeff Gordon. He particularly enjoyed family gatherings with great food and laughing with his cousins.

He was preceded in death by his mother, Linda Lee Hager, and a half-brother, Chuck K. Gobbel. He is survived by many friends, family and his dog Buddy who will miss him greatly. All who knew and loved Todd will fondly remember and think of him often. A private memorial service honoring Todd will be held at a later date.

Symbolic of Todd's great affection for his mother and her health struggle, memorials are suggested to Susan G. Komen for the Cure, 13770 Noel Road, Suite 801889, Dallas, TX 75380.

“ In this life, we see success in so many ways, but to truly Love others is to be most successful. You did that Todd. You always wanted to make others feel better or be better, even when you didn't feel the best. You are another piece of our Family that has gone too soon, but you're in good company. I Love You Cuz!!

“ Todd there's not enough words to ever describe what you mean to me. On paper you're my 1st cousins but in my heart you were more like my brother. Growing up and even as adults you were always there. I truly know what your family meant to you and I'm honored to have been loved by you. Todd you loved hard and you loved with all your heart. You appreciated your family and it showed through your unconditional love. You always tried to please everyone, and sometimes you got hurt trying so hard. You will never feel that pain again you have a new body with an unscared heart. I can only imagine how full your heart is now overflowing with happiness, smiling from ear to ear for your mom and brother grandma and all your Aunts and Uncle. I love you Todd and you will be missed. As they say..Now I have to remember you longer than I knew you. Jesus has you in his hands but I will forever carry you in my heart until I see you again. I love you my brother/cousin. I will never forget your smile. But I do miss it already. I love you Todd.
