“ Hillbilly.... what a life you lived. I appreciate the times we spent together watching you put the paint where it ain't and those laser lines you could make. We created some crazy memories together. ... wish we had more time together. Until we meet again... I will keep a cold Platinum on Ice for you....

“ Bubba, Dennis and I will greatly miss you beyond measure. We loved your visits, phone calls and texts made us laugh every single time! And you and that mac n' cheese from KJ's, we'll always remember you asking for that, everytime we came to B'ville. We have a huge hole in our hearts right now. We love you ... “Til the wheels fall off” Just last Thursday, you and I exchanged that phrase and I'll never forget it. Rest in peace. Save us a seat, Bubba.

“ I didn't want to believe it was real until I saw you here. Amy and I are heartbroken as I know many more of those who loved you are. You were always the life of the party. You were the one who lit up a dim room with your mere presence. I don't think I ever saw your face without a smile or spent time with you without hearing a hilarious anecdote.

We all have to go some time and I suppose this was your time, but it doesn't make it any easier. I know you're up there "putting the paint where it ain't" and creating smiles all over heaven. I'm glad to know you're no longer in pain. Rest easy, my brother. I'll see you again.
You made my life better.
