“ Kathy and were sorry to hear of Michelle’s passing. We enjoyed visiting with her and Benjie when she lived in Union and Benjie was a little boy. She loved her family and always made us feel welcome when we visited in her home.

“ No one can have know you longer or loved you any more than I did. I remember the fun times in your youth growing up. The memories that no one can remove. I loved you so much daughter! Go and fly high, higher than the clouds and join those family members who have gone before you. Tell them all hello from both of us!
