“ *I've only known Darryl through our competition on the tennis courts, and consider him a friend as a result. He has always been a worthy and gracious opponent, both in winning and losing, thus always making him a winner. He will be sorely missed in life and on the courts. My prayers and condolences go out for all his family. God Bless!*

“ *I've only known Darryl for a little over a year. He was a hard working man & you could set your watch to him making rounds at work. He always came in with a smile. The most important thing I learned, is how much he loved his family. Darryl, you will surely be missed by many. To his family, you are in our prayers. “ I've known Darryl on the tennis courts, and he was always so friendly and courteous to partners and opponents alike. We came so close to winning that mixed doubles match a couple of weeks ago, and he was such a good sport about all my bad shots. I'll miss him.

“ *I was shocked to hear the sad news.I've been knowing Darryl for many years as he worked with Labcorp. He became a good friend and also like a brother to me. Darryl would tell the clients on his route that he would have to check with Marge in order to have a day off because I was to cover for him. This time my friend didn't check with Marge.....GOD CALL HIM AND HE ANSWERED. I'm going to miss him and I'm glad I had a chance to know him. My thoughts and prayers are with the family. May GOD BLESS YOU.*

“ Darryl coached our Darlington All-star basketball team when me and my brother, Steve, were playing in the 13/14 year old league. We had watched Darryl play at St. Johns and knew he was a great player so it was a big deal that he took the time to coach us, he was only 19. He was dating Mary at the time and she traveled with us to the tournaments. Their happiness made a big impression on me!

“ I was shocked and heartbroken to hear this news...I have known Darryl for many years. He was the courier for Labcorp that picked up specimens at the hospital. He told me of openings with Labcorp and I later got a job with the company all with the help of Darryl letting me know..he always carried the news. I will never forget the pranks we pulled on him and the things he would say. I still expect him to walk into the lab to pick up. He always talked about his family and how he was going to be a grand daddy. He was so proud of you all and we can't forget his fur babies and those Clemson Tigers. He was so well thought of by everyone that knew him and he will be greatly missed by everyone. I am so very blessed to have known him. Your family are in my thoughts and prayers.

“ *I am so sorry for the loss of Darryl. He was my courier and I looked forward to him coming by my office each day. I told him Friday when he left to have a good weekend. He was a kind man, had a wonderful personality. I would always say to him that he wasn't retiring anytime soon and we needed him to stay on with Labcorp. He was thrilled about his new grand baby & always spoke highly about his wife, son and family. I know Darryl will be greatly missed.*

“ Mrs. Mary, I am so sorry for the loss of your husband, I worked with and looked forward to seeing him and hearing his jokes everyday. He talked about you everyday, and about his children, his great danes, his first grandchild, tennis, and about the "mut" (like he called it) that just wandered to your home recently. I'm am so heartbroken by his passing I can't begin to imagine what you all are going through. I am praying, continuously, for your healing and comfort.

“ I met Darryl through work he was a great guy. He loved joking around with everyone he met. He was so excited about his first grand baby coming into the world. Darryl said I don't know what I want him to call me tho I suggested PaPa D and he said he liked that and he said he ran it by his son Kyle and he liked it also. Darryl reminded us daily of how many days he had left before retirement. He will be missed by so many people. Rest In Peace Darryl. My thoughts and prayers go out to all his family and friends.
