“ So sorry for your loss! Nancy was a sweet lady and will be missed. She cut my mom's hair for years and very earlier on she cut mine. Very fond memories of being in her beauty shop and doing the ladies thing....gossiping! May God comfort her family during this time. She's in her heavenly home doing a lot of ladies and men's hair now!

“ Nancy was my best friend & I loved her like a sister.

We were friends for 46 years.

I miss her so much already.

We had many good times together & I probably could write a book on some of our shenanigans we got into!

Nancy was a very independent person like myself & didn't depend on anyone for anything.

She was a very hard working woman & made a lot of friends through her job, horseback riding & her raising her Pomeranians.

She will be missed by so many & especially me!

I love you Nancy & hope I see you again one day

Until then be one of my Guardian Angels & watch over me

Love you miss you, your dear friend!!!
