“ *We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'"- John 11:25*
