“ Mr. Sonny put his faith into action and was a servant of Jesus Christ. I've witnessed this for as long as I can remember. I admired how much he would set out to accomplish in a day to help his community. He often shared that he was an early riser, and I know he saw each day as a gift! I enjoyed his many messages used to conclude our worship services during his time serving as Sunday School Superintendent at my home church, Bethlehem UMC. He would always relate funny old farm tales to scripture, and I loved it so much. Our hearts go out to Mrs. Louella and the rest of the family. You guys are a special bunch, and we're so sorry!

*"Well done good and faithful servant."*

Love,

“ *Olin Coskrey made a positive impact on the students at Chesterfield High School, whether they were in his class or not. His creation of the mini-farm, the raising of tilapia, Jack and Jill, Thelma and Louise, and of course, Fred the peacock, bring back such memories. We all hope to influence our students in a positive way and he was quite successful. His family will remain in our thoughts and prayers.*

“ I cannot begin to describe how much Mr. C has meant to me and the impact he made on my life. I met Mr. C by accident. I never had any plans to take agricultural classes and certainly did not plan on joining FFA but my freshman year I just wasn't old enough to take drivers Ed and no one wants to hear me sing, so my only choice was intro to agriculture and it was in that classroom that I met the teacher that would leave the biggest imprint on my life. Mr. C was so much more than a teacher!! He was a counselor, a mentor, a stand in dad, a travel agent, a chauffeur, my first employer and so so much more! My time spent with Mr. C and the girls will forever be my fondest memories of high school. Part of who I am today and the career I choose is a testament to his dedication to his students!! My thought and prayers are with this precious family!
