“ You were the first face I saw when I came to meet my siblings for the first time. I ran down the hotel hall until I came upon your room, it was late, I didn't want to wake you, I stopped in front of the door , I had to knock my heart was beating hard and the door opened! And I went right to your sweet little face and kissed you, we were both talking ,crying! Oh my sister I wished we had more time, I love you! And my days are much sweeter knowing and loving you.

“ Aunt Pat was pure love. She always made you feel seen, safe, and cared for without even trying. She carried our family with quiet strength and that warm spirit everyone felt the moment she walked in a room. I’m grateful for every moment with her, and I’m honored to celebrate her life. She deserves all the flowers today and forever.

To the Entire Rouse & Hawkins Families, my sincerest thoughts and prayers are with you all during this most difficult time in your lives. "Pat" always greeted me with the biggest grin and " Hey Sherri Lynn" every time I would see her, who wouldn't want that type of greeting? Just one memory that I will carry of her. I say that to say Allen, Lauren, & A.J. may the precious memories that you hod onto of "Pat" keep your minds and hearts at peace now and in the days ahead. Sleep in Peace "Pat" until we meet again.
