

Rachel Robertson Jacobs

June 3, 2025

Rachel Elizabeth Jacobs [nee Robertson] of Darlington, S.C. passed away peacefully on June 3, 2025 at McLeod Hospice.

Rachel was born on April 4, 1959 in Columbia S.C. In addition to raising three wonderful children, Rachel was an esteemed pharmacy technician in both public and private institutions.

She could be a big presence in a room, someone who loved a good laugh and had many of them. But more often, she was a quiet force, providing service and good works for family, friends and anyone who needed a hand.

Rachel was preceded in death by her brother, Bruce Robertson, and her father Austin F. Robertson, Jr. She is survived by her husband, William "Bill" Jacobs; her children, Sarah Elizabeth Crawford, Callie Meredith Simmons, John Austin Simmons, her mother Betty M. Privette and sister Margot [Jon] Healey.

Rachel will be remembered for her humor, kindness, integrity, humility and unwavering love for her family. Her presence in the community will be greatly missed.

In lieu of flowers, the family requests donations be sent to High Hill Baptist Church.

Friends and family are invited to Kistler Hardee Funeral Home in Darlington on Friday June 6 at 1 pm for visitation followed by a 2 pm service.

“ Some people pass through your life and leave a lasting impression, Beth was one of those people for me. I'm so grateful to have known her; she made long days in the pharmacy more bearable with her wit and humor. May her love and laughter endure in her family's hearts as they miss her dearly.

“ *It was a pleasure knowing Beth. She was hardworking, funny, and most importantly, a generous soul. She went out of her way to help or come to anyone's aid who needed anything without thought to her own needs. That is a true reflection of Jesus in her. An example of how we are all meant to be.*

“ I met Beth in the Walterboro clinic about 4 years ago. She would fill in at our pharmacy when someone was out. I remember her making us laugh with her stories about her life and her jokes and puns. She was a pleasure to work with. Sending love and prayers to her family.

“ *Such a precious lady, whose peace and strength, through each health challenge, was a beautiful testimony of her strong faith in God and complete reliance on Him. She was such a comfort to all, while employed in the medical field, and always went the extra mile to insure each person received excellent care. Beth was multitalented and her creativity brought sparkle and joy to our hearts. We hold Betty and her family in prayer for strength and peace, but they rejoice with us that our Beth is healed and whole, eternally, with our Heavenly Father. How blessed we were to have had her loving friendship!* ”
