“ I was so saddened to hear of Randy's passing. Some of my fondest memories are from the days Jeff, Kassidy, and I spent fishing with him at his pond. We were just reminiscing about those times the other day, not knowing how precious those memories would feel now. Randy's quiet humor that was only noticed through his smile left a lasting impression, and he will be dearly missed.

“ From Grace. I have a lot of memories of him from many years ago. One when I accidentally shaved the side of his head when he trusted me with electric buzz clippers to trim his hair in the kitchen and I forgot to put the clipper guard. He's also the only person I ever knew who could put out a cigarette with his bare foot. Another time he did a full on twirling routine with a wooden chair at a hunting club cabin on the PeeDee river. I never laughed so hard in my life to watch him twirl that chair and then quickly sit on it just to stand and start twirling it again. He was one of a kind. ❤️👊 RIP Randy
