“ Mrs. Willamae, Dakota, Kimberly, and Mrs. Lewis,
I am thankful for the opportunity to meet Mr. Richard and will definitely miss laughing and talking with him, as well as fussing at him to take care of himself. I will miss him being at the door and welcoming me with a smile whenever I came to visit. I could always feel the love that you all have for each other even when we were laughing and joking. Mrs. Willamae, you are such a strong woman and I know that you will continue to do the best that you can to keep things going. You all are in my prayers and we will be talking soon. Fist bump to Dakota :)

“ Mike & I surely send our love, and hugs to you...Willamae, Dakota, Kim, Gail and the family. It's been our pleasure being friends/like family & neighbors to each of you all these years. Our family and yours has seen and been through life's ups & downs, we've been there with each other thru it all and ALWAYS will be.. Because that's what love & true friendships are made of. We have called on you, Wayne and Gail lots of times in the past, always knowing that if any way possible, you'd see our need through... We're thankful for that and you know we'll turn that hand, as well. Wayne was a great man/also a great friend, and will be missed by us, especially. We love you!
