“ *It is never easy when we lose someone dear to us. May the God of all comfort and the God who cares for you give the needed strength to bear this burden. I didn't know Mr. Huntley and I want to acknowledge his death and your loss. Please accept my condolences. Let's look forward to the time when death will be brought to nothing according to the Bible. Jesus gives comforting assurance that those in the memorial tombs will hear his voice and come out to a resurrection of life. I wait that hour with you. Remember Jesus raised Lazarus from the dead. Let's have faith and trust in him to do the same for Mr. Huntley and all our loved ones that are dead
Continue to take care of yourselves.*

“ Ricky was my favorite cashier at Fastrack 4 . I'm gonna miss walking in there and cutting up with him always saying "how about them gamecocks" and him shaking his head at me knowing he was a big tiger fan. He sat with us at the Christmas party last year and I really enjoyed talking with him. Your family is in my prayers friend!

“ The Huntley Family,
I am so sorry to hear the passing of Mr. Ricky. Please know that you and your family are in my prayers! I know that loss is never easy, nor is the weeks, months or years that follow. What I have learned, is that God has a reason for everything. We may not always understand his reasonings, but we're not supposed to question him. I pray that The Huntley Family family find peace through this storm. There's a verse that I've always read that has helped me grieve and it's; "And He said to them, "Because of the littleness of your faith; for truly I say to you, if you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible to you." —Matthew 17:20. & "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." — Isaiah 41:10. I'm always a phone call away. Grief is not easy, but with God on your side, it gives you an amazing sense of guidance. Please let me know if there's anything I can do for your family. Love you all. 🙏
