“ Wayne was such A gentle man! He helped me through many challenges in life in my adult years! We laughed together, cried, helped each other through surgeries! I called him my mountain man , he called me baby girl! I enjoyed going and visiting him at oak haven on my golf cart! Then the times he and his brothers and wound sit at my table drink coffee and laugh ! Go rest high on the mountain , mountain man! I'll miss you , you'll always have a place in my heart! , love baby girl ! Linda and family may God bless you and give you all the peace and love. Jennie & Bob Stevens
