“ Sara,  
Seeing this made me so sad. It was a wonderful day when we met Bob and realized Bob and Shaw shared the same cancer, Multiple Myeloma. It was if God arranged the meeting. Since Shaw passed away over three years ago now, I have thought of you both so often. Bob was a special friend and I think put in our lives for a special friendship. To God be the glory for his special life and may God hold you very close. He will be with you throughout this difficult journey.  
Much love,

“ Sara, Charles and I are so sorry to hear this! Please accept our condolences on Bobs passing. I never knew Bob personally but always got good vibes from your posts of the time y'all spent together, you always looked so happy. I'm sure you have good memories to carry you through this. That and leaning on family and God is a good start. May God bless you.

*Hello! I am also Bobs step daughter and he was my step dad from the age of 12 until I was almost 30 years old , that's when he had an affair w Sara and left my mother, Of over 20 years of marriage! So I believe my mother and I and his two grandchildren from me should also be remembered in his obituary since we were also part of Bobs life!! On this day of learning of his passing I will say he was a good provider and good step dad , step grandfather to my children until he was told he could no longer have contact w us by the women, Sara, who had an affair with him knowing he was married! RIP BoB*

“ So sorry for your loss. May God comfort you and wrap his loving arms around you. One my greatest joys was helping Bob when he organized the men at Black Creek to build a ramp for a member of the church. He was so patient with us and I laughed at the stories he told us. His smile and warm greeting made you feel like you knew him your entire life. In His Service, Otis and Nellie Lawhon.
