“ So sorry for your loss. It was always a joy to be around Robbie, there was never a dull moment. I bought my very first car from him back in the day. The very last time I saw Robbie he asked if I was still working and I replied "yes" he then replied " Well good don't you quit cause I don't need my check to stop coming." I will miss his great sense of humor. May God be with you during this time and I'm surely going to miss him and his humor. (Ronnie Conner)
