Selma gave me this team photo a number of years ago when I was visiting her, because my mother was a classmate of hers and is also in the picture (top row, 2nd from the right). I don't recall which team member is Selma, but maybe her family can share that information. It's a great photo. I have treasured it, and also treasure the memories of that wonderful visit with Selma. She was such a gracious lady. Bette Cox, Florence, SC

“ *I am sorry to hear of Mrs. Miller passing. We loved her and will miss her. She was such a blessing to our family and our church. Laura and Brittany loved going over to her house when we lived in apartments on Oak st. We enjoyed sitting outside with her in the evening. She loved her family and her church. She was one of the most Godly women I know and I know she is rejoicing in heaven.*
