“ I love you Aunt Shirley and thank you for always being there for me, how many times did we talk after Rodney and daddy died, so many I don't feel like I could've gotten thru any of it without your. You were the best Aunt I could've asked for I miss you so bad but I know our savior has you in his arms and there's no place you'd rather be. I will miss you so bad I love you

You were my mother inlaw for over 33 years, but were like a second Mom . I could not have had a better mother inlaw. Love you too.

“ *I love you Shirley. I miss you besides me. When I go outside I look to see if you are at the fence. I know you are not in pain now. You are probably having a family reunion and would not want to come back. I know we will all miss you.*
