She and my Mother, Rebecca Chapman (recently passed) were very good friends since their school years. Shirley was a delight to be around, always smiling, and so loving a person. Prayers for all of her family.

“ Dear Grandma,

I love you with all my heart! I have some of my earliest memories with you and my cousins being at your home in your loving embrace.

You've always did good by us and taught us to always be proud and walk with our head up and shoulders back.

You are an old soul and gentle spirit. You've been nothing short of a wonderful loving grandmother. You have loved all your children and grand children unconditionally, no matter what happened you always stood by you and yours and for that we will always carry you within ourselves; and their you will live on through our hearts and minds. I know you're in heaven next to God looking down on us and telling him stories about each one of us and how much you love us. Rest in Peace Grandma ill always love you and hold you dear to my heart. Shirley, I met you for the first time at our Daddy's birthday. You were vibrant and charismatic. I wish I had known you my entire life. I sincerely believe Viche when said you were loving. It showed through your energy and that beautiful Harrington smile. Much love and respect. Larry Joe.
