“ *Tammy aka wam-o.....I remember you being more quiet unlike the rest of your sissys (Lol) except when Janie got a hold of you .... you looked the most like Janie of all you girls and if you had your Mama's temperament woo what a handful .... we had a good childhood in Crestview and miss those good ol days!! Memories that bring a smile to our faces when we reflect on yesterday will be something we'll cherish always!! I pray for your sisters, children and grands & family that they will be comforted in the knowledge you are at rest now, no more suffering !* ”
