“ Almost 6 years since you went home, but yet it still seems like yesterday. I miss you sorely chicka. Oh how I wish you were here. You were the only thing that kept me afloat. My only one true friend that kept me straight. I often ask myself, what would Tammy do? I pray and keep pushing through those rough days and with my faith I know we will rejoice together again one day. I love you girl and miss you more than anything.

“ *Heaven gained a beautiful angel. You will be greatly missed. You were my bestest friend when our girls started school together. I still remember the way you taught me to dry clothes. And the day we picked gallons and gallons of blue berries. I love you dear friend til we meet again.* 🥹🥹🥹
