“ I am so sorry for your loss. I was lucky enough to get to work with Stacey and witness Tom’s pride in his little girl when she was pitching. I’m thankful we were able to keep in touch and I was able to witness his fight and faith. Even through his own battle he was always encouraging to me, what a wonderful man. I can close my eyes and see him smiling in the arms of Jesus. Coach Lou and I are praying for strength for all of you during the days ahead.  
We love you,  
Darlene and Coach Lou

“ I remember when I was dating Steve, we all used to hang out every day. One day we were in the car going somewhere and there was a song on that I really liked, I was singing really loud and Tom snuck and turned off the radio and I was just still singing away until I realize I was solo lol. I slapped him on the arm and called him a Butthead and he just laughed. I Loved Tom, we had a lot of great times that I will always cherish. He is in a much better place now keeping you guys in my prayers.
