“ Tommy was gentle, caring man always willing to give a hand at need. I miss you coming in and out the store. (RAC) Watching you dance to the music that would be playing or you walking to my office asking if I need something to drink. I'm waiting for the door to open to see your smile walking through to brighten my day. Gonna miss fussing with you about getting on the truck, man if I could have one more day to say Tommy NO! Rest In Heaven you sure are missed by so many. God took a good one Tommy Boy. <3 <3 <3 Love ya Deb
