

Tommy Vernon

September 4, 1968 - July 10, 2025

Tommy Vernon passed away July 10, 2025, at his home surrounded by his loving family.

William Thomas Vernon, Sr. was born September 4, 1968, to the late James Hiers and Marian Terry Vernon. He was born and raised in Darlington, South Carolina. He graduated from St. John's High School in the class of 1987. It was his formative years where he formed several lifelong friendships. These friends were truly an exceptional group that remained close throughout their lives. Tommy cherished them all.

Tommy worked hard. He spent many years in the soft drink industry. His job came to an end when his health would no longer allow, but he loved his company and the products he sold. He was a devoted associate of Quality Beverage for 16 years. He enjoyed playing golf, woodworking, hunting, and fishing. These traits, and his genuine love for the outdoors, came from his daddy.

Tommy had a huge personality. He smiled a lot, laughed a lot, and his words for others were kind. He was smart, entertaining, and honest as the day is long. These traits came from his momma and his daddy.

He loved watching Clemson play ball. There wasn't but one way to cheer in

the Vernon house and that was GO TIGERS, probably two of his favorite words. A few years ago, when Caleb played golf at Carolina, they all learned to say something else. It was hard, but Uncle Tommy did it! It was part of a devotion for his children, including his nieces and nephews, that was unwavering. He loved big, and he loved them all.

In 1996 he married a beautiful girl named Debra McFarland. They had a great life, three children, many laughs, some cries, but all in all, it was everything he ever wanted. He wanted her by his side when the Lord called him home. She was.

Those left to cherish his memory, in addition to his wife, Debra, are his three children, Tom King and wife Ashley, McClain Vernon, and William Thomas Vernon, Jr.; His brother, Jim Vernon; his sisters, Tricia Faithful and husband, Tom, Annette Patterson and husband, Ralph. His nieces and nephews, Jody, Matthew, Blake, Parker, Fleming, Christy, Amanda, Caleb, Becca, Colton, Noah, Tanner, Anna, and Forrest.

Funeral Services will be held Sunday, July 13, 2025, at 3 PM at Trinity Methodist Church, 126 Pearl Street, Darlington, South Carolina. Tommy will be placed next to his parents, in a private ceremony, at Grove Hill Cemetery.

Tommy grew up at The Darlington Country Club. It was here he learned to fellowship, swim, and play golf. In his honor his family will host a reception at the club immediately following the funeral. All are invited. The address is 125 Country Club Road, Darlington, SC 29532.

Tommy himself suggested memorials be made to The Winthrop P. Rockefeller Cancer Institute in his memory. It was his hope and his prayer to eradicate this dreadful disease for future generations. You can donate online in his memory. <https://cancer.uams.edu/get-involved/donate/>

In the end, he fought the good fight, he finished the course, and he kept the faith.

“ I am so sorry to hear of Tommy's passing. I vividly remember meeting him our first day of middle school as we both struggled to open our lockers at Brunson Dargan Junior High. Always the gentleman, he made sure I was able to get it opened before heading off to class. We were friends from that day forward. We shared many a laugh and conversation throughout homeroom through the years. Tommy was one of the good ones and such a light. I will continue to keep his family in my prayers.

“ Knowing Tommy from middle school all the way through high school was a blessing. Tommy was truly one of a kind. He was always smiling and happy. I didn't see him any after high school, but always considered him a true friend. My prayers are now with his family and friends. I pray that God wraps his arms around all of you, and that you know peace and comfort that only he can provide.

“You meet people who forget you. You forget people you meet. But sometimes you meet those people you can't forget. Those are your friends.” -Mark Twain

Tommy “Mad Dog” Vernon was a legendary husband, father, uncle and friend.

He battled his illness for 11 years.

I never heard one complaint from him regarding his personal health struggles.

He was always focused on his family and friends that he loved.

Selflessness.

What a life well lived.

Mad Dog lead by example.

My condolences to his family and all those who loved him, as much as I do.

His friendship and love was a blessing to me.

Godspeed Mad Dog!

I love you my friend.
